Eminem, Broken Down

I'm decimating the competition With my fucked up rendition Of this muthafucking song It's my tradition I fucked up Limp Bizkit With my own slip disks And the fucking bastards Just came and dissed my district I ain't have to diss people To get my career started You muthafucking assholes Fuck everything and pass it Knew I was special from My first demo tape My first hit moved straight on To my first hate And my first date Was as fucked up as it gets Passed the test But the bitch didn't want to get wet So I killed my guinea pig Just to up and spite her My fucking bitch of a mom Screamed and said I didn't like her I'm decimating the competion With my fucked up rendition Of this fucking song It's my tradition I fucked up Limp Bizkit With my own slip disks And the fucking bastards Just came and dissed my district Yo freestyle for all you muthafuckas Eminem 1999 It feels so good to be back
