Eminem, Crazy In Lovemi

(Chorus)
I tell myself that I was doin' all right
There's nothin' left to do tonight
But go crazy on you
Crazy on you
Let me go crazy, crazy on you, ohhh

Can't you see what you do to me baby You make me crazy, you make me act like a maniac I'm like a lunatic, you make me sick You're truly the only one who can do this to me You just make me get so crazy I go schizo, I get so insane I just go schizophrenic One minute I wanna slit your throat the next I wanna sex You make me crazy The way we act like two maniacs in the sack We fuck like two jack rabbits and maybe that's a bad habit Cause the next day we right back at it In the same exact pattern What the fuck is the matter with us We can't figure out if it's lust Or if it's love which that is attractin us to eachother They say that every man grows up to marry his own mother Which would explain why you're such a motherfuckin bitch But I stay and still stick it out with you Even though I just hit you today but you deserved it You hit me first and provoked me to choke you Just cause I came home late last night Crawled in bed and I woke you But if there's one thing about you that I admire It's baby, because you stay with me Maybe cause you're as crazy as I am Cause when I look at you I can see an angel in your eyes but if I look deeper inside I see a freakish little side, like a devil in disguise You're always full of surprises Always pullin devices out your personal vibrators and dildos You've fucked yourself so much you barely feel those anymore You're only 24 but you're plenty more mature Then those other little ho's who just act like little girls Like they're in middle school still you're crazy, sexy, cool Chillin' you play your position you never step out of line Even though I stay in your buisness You've always kept out of mine I wonder what's on your mind Sometimes they say love is blind Maybe that's why the first time I dotted your eye You ain't see the sign Or maybe you did maybe you like me in charge Baby cause we're crazy in love...

(Chorus)

I go crazy on you Crazy on you Let me go crazy, crazy on you, ohhh

You are the ink to my paper
What my pen is to my pad
The moral, the very fiber
The whole substance to my rap
You are my reason for being
The meaning of my existance
If it wasn't for you I would never be able to spit this

As intense as I do, and the irony Is you rely on me as much As I rely on you to inspire me like you do You provide me the lighter fluid to fuel in my fire You're my entire supply of gas, the match and igniter The only way that I'm able to stay so stable Is you're the legs to my table If you were to break I'd fall on my face But I'm always gonna make you feel I don't need you as much as I really need you So you don't use it to your advantage But you're essential to me You're the air I breathe I believe if you ever leave me I'd probaly have no reason to be You are the Kim to my Marshall You're the Slim to my Shady The Dre to my Eminem The Alaina to my Hailie You are the word that I'm lookin for When I'm tryin to describe how I feel inside And the right one just won't come to my mind You're like the pillow that props me up The beam that supports me The bitch who never took half The wife who never divorced me You're like the root to my evil You let my devil come out me You let me beat the shit out you before you beat the shit out me And no matter how much too much is never enough Baby cause we're crazy in love...

(Chorus)

I go crazy on you Crazy on you Let me go crazy, crazy on you, ohhh
