## Eminem, Freestyle I

Im driven to write given the mic livin the life that u livin at night just to live in the light and deliver delight and slither the slight sight of the life that ain't right into your mind meant to remind u went through the grind to get through the line ain't no more waitin to reach ur goal there ain't no more satan to impeach ur soul he can't affect u he can dissect u and change ur mind bad thoughts can direct u defects can be gains ur worries are tainted mistakes can be saints cuz they can correct u
