## Eminem, Hailie And Me

hey hailie how are you today sorry i couldnt see you i was workin every day are vou ok im fine i love you bad you are define your mom and me are back together i hope your happy gladly were workin things out i'm your pappy (haha) dont worry ill never leave again i promise ill never leave you even if you turn ten how is your sis tell her i miss her too i love both of yall yall like the number too you are my friend, my everything in promise ill never ever leave again your mother and i are getting married again i hope you happy too i love you so much i wanna be with you..

hailie and me
hailie and me
this is between 1 and 2
justy wanna be with you
hailie and me
hailie and me
i promise that ill never leave you..

slim shady is rock a bye bby shady is over never will rap again if you want me too you'll have to just leave me there is one way you can actually complete me remember in mockingbird it was really sad i tried to stop but i was so mad trying to stop crying cos i couldnt see you no more then i got back to what was ir i made my new choice cant help myself i lo ve all of yall and no body else shady is something he is nothing i really cant help it cos he is nothing well seems like 1 and 2.. i wanns be with u

hailie and me

hailie and me
i wana be with me i wanna be with you
hailie and me
hailie and me
hailie nd me

HAILIE is is between 1 and 3

baby dont worry ill never leave again ill just have to tell dr.dre i cant rap again my baby misses me and i miss her

im not shady dre so its over so then HAILIE this is between 1 and 3 hailie yuour my baby i love you hailie no more encore no more lp no more aftermath no more shady i reallyy love you hailie ill never leave you cos your my baby i hate rap i even hate shady i should have never made hi you know what, maybe but hailie i still love tyou nothing in this world is not above you i love the way you smile you do nice things when i come back home im a buy u a diamond ring your my everything and everything is youwhen we stand close together this is our stormy weather i love the way you smile i hate to play in 8 mile teach me how to love you better so this could be a nice sunny weather i love how you feel and i know you keep it real im furreal that i love you this is between 1 and 2

chorus 2x
