

Eminem, I Can't Wait

How it happens
I don't care
If it's raining or what I wear
I know today is taking me
where I'm meant to be
Doesn't matter where
I go with my boy shoes and my rock star phone
I'm waiting for a friend call
or the rain to fall
Life goes by
Who knows why

Chorus

I can't wait for the world to spin
and i can't wait to be up again
oh whats it gonna take
I can't for the time to come
when i'll be shining like the sun
I can't wait
I can't wait

Bum

bum bum bum

bum bum bum

bum bum bum

Yeah

Everybody has their day
when things just seem to go their way
an angels gonna smile on me
when it's meant to be
cause anything is possible
no matter how incredible
you know who i might meet on this crowded street
Life goes on
like a song
Chorus
