

Eminem, Is This Love ('09, ft 50 Cent)

R-I-P to R-A-P

E-M-I-N-E-M's back with the D-R-E, and I'm the

S-L-I-M (What?) S-H-A-D-Y (Woo)

I'm H-I-G-H (Yeah), yeah, baby, high (Ha)

And not afraid of heights, and the B-O-D-Y

Is C-R to the A-Z-Y, the G-U-Y

With the mother-F-U-C-K I-N

C-H-A-I-N-S-A-W and the W-H-I-S-K-E-Y

And I don't wanna trouble you, wait

But before you skate, I'd like to try to break the ice

Like a frozen lake, so you'll fall, stay the night

Say, like eight or nine

'Cause on a scale of one to ten, that's how I rate your vibe

Let me be your vibrator (Get it?)

Your body's slammin' like André the Giant

Two wrongs make a right

Let me take you by the arm, I'm alligator-like (Bite her off)

Gal, I waited all my life for you, heart is racin' like Talladega Nights

Sick minds think alike, girl, you got me singin', like

Girl, I've been watchin' what you do

Baby, I ain't never met a woman quite like you (Like you)

So tell me what I gotta do

I've never been with a virgin, but I'd sure like to (Yeah)

Is this love that I'm feelin'? (That I'm feelin')

How do I describe the vibe that I'm feelin' inside?

I'm in the mood for sexual healin' (I'm fallin')

Girl, I'm diggin' your whole MO

Give me a go, you're throwin' innuendo

Keep sendin' me smoke signals (Yeah)

Everything's movin', spinning in slow M-O

T-I-O-N now anything goes, earlobe

Nibbling, so gentle, then we disrobe, she goes

Emily Rose, middle of givin' me dome, she froze

Literally goes mental, screamin' she's broke, fragile

Empty and so brittle, Henny and Coke

Can make women emotional

Told her she ain't just some twenty-some year old bimbo

Then we indulged in so many of those benzos

That I proposed, then gave the strippers a pole

"Finish me, ma!" Then dose, then we awoke

Like, "Yo, did we elope?" Give me a Jolt

My mind's blank, I'm sipping in hopes it'll

Jog it, I thought this was a memory foam pillow

Then why the fuck are we remembering so little?

Girl, I've been watchin' what you do

Baby, I ain't never met a woman quite like you (Like you)

So tell me what I gotta do

I've never been with a virgin, but I'd sure like to (Yeah)

Is this love that I'm feelin'? (That I'm feelin')

How do I describe the vibe that I'm feelin' inside?

I'm in the mood for sexual healin', 50! (I'm fallin')

I kill a bitch with a potato peeler for the skrilla

I'm finna skin a sinner, dick robbed, like Bruce Jenner

Long time, interest me all I

Like it like I like snuff flicks, sip piss, eat shit

You're workin' my nerves, louder now, come on, bark, bitch

Hi, I'm Shady's [?], Shady done rubbed off on me

Yeah, bitch, bow me 'fore he used the chainsaw for me

After you see my G-U-N in a pine box we will see you

And you can't believe it's me again
I B-I-G T-I-M-E K-I-L-L very W-E-L-L
Go to Hell, R-U-N, T-E-L-L
I'm coming, straight dumbin with my gun in
Hand, there's no options, I'm P-O-P-P-I-N
Ya dyin', doc's still tryin' to save you
If you survive, I'ma show you what the gauge do
I'm the type there's nothing you can say to
(Ayo, bring that hook)

Girl, I've been watchin' what you do
Baby, I ain't never met a woman quite like you (Like you)
So tell me what I gotta do
I've never been with a virgin, but I'd sure like to (Yeah)
Is this love that I'm feelin'? (That I'm feelin')
How do I describe the vibe that I'm feelin' inside?
I'm in the mood for sexual healin' (I'm fallin')
