

Eminem, Medicine Ball

(Intro)

Oh, my goodness
What have I done (oh no)
I can't believe it
It's like... I've got the whole world
In my palm
And I'm ready to jump up...

(Verse 1)

Welcome to the slim shady mecca rebecca
It's the village in new york right next to the try *becca*
It's my sector homosexual disector
Come again rewind selector
I said nice rectum
I had a *vasectomy* hector
So you can't get pregnant if I bisexually reck ya
Hannibal lector *in the guy sex* and I bet ya
I tantalize ya in the less than five seconds I get ya
They said once bitten n twice shy
We lie next to the guy
With nine ecstasy pills and five extra
Boxes of ripped condoms and quantities why yes sir
I took the rest of the lunester pills for my dresser
It's my kinda vibe what else shud I try lester
Drop, kick the bits before a second trimester
Performed a home abortion with dexter the *ni yeser*
Dig a *fetus* out with a wire hanging then diigest her

(Chorus)

I guess it's time for you to hate me again
Lets begin now hand me the pin
How shud I begin it and were does it all end
The world is just my medicine ball your all in
I said

I guess it's time for you to hate me again
Lets begin now hand me the pin
How shud I begin it and were does it all end
My medicine ball your in my medicine ball friends

(Verse 2)

On my west side we just throw it up
Put a baloon inside your pussy... weep and blow it up
Man I think that he just fell off *the teeth* and showin up
So you better change the station
To keep from throwin up
Man you seen it all before your alter a million with it
There's a penis on the floor and two balls so you know who did it
You know you with it girl don't front, oh no you didn't
I won right by the pussy cat dolls *when call you kitten*
I'll pee on rihanna see man I do what I wanna
Spray perfume in the sauna room
crazy glue in madonna to
The lazy boy so called *fold her in two and sit on her
Imagine *if visual* for that man
Who woudla thoughta
Could ever be such a relentless prick
And leashin his fingers
For the chicks who *waltz*
She looks like she outlived her life sentence
I never meant this, rhyme to be so offensive
If you *were(nt)* so defensive it wouldn't be
Your so sensitive

(Chorus)

I guess it's time for you to hate me again
Lets begin now hand me the pin
How shud I begin it and were does it all end
The world is just my medicine ball your all in

I said

I guess it's time for you to hate me again

Lets begin now hand me the pin

How shud I begin it and were does it all end

My medicine ball your in my medicine ball friends

(Verse 3)

Put Christopher Reeves on are you the pyscho with a kick stand

Kick it up and push him and *knee* him right into quick sand

Here you need a hand... big man... grab hold of this branch

With both hands, man they don't understand I'm just a sick man

Now everybodys pissed at me like it's my fault his name rhymes with so many different words... jee

So one last time, mister christopher reeves

Won't you break it down for me and just spit the first please

(Chrisopher reeves) Eminem I'm coming to kill you (sniff)

Always hated you and I still do

You'll never feel my *chumps* my superman custume (sniff)

Doesn't even fit you they don't feel you

You taking this shit too far (sniff)

Who dyou think you are *hang* my suit up in the *arm* war

Everyday I hate you more and more

Throw down the cardboard

Lets break down *you think* your hardcore

(Chorus)

I guess it's time for you to hate me again

Lets begin now hand me the pin

How shud I begin it and were does it all end

The world is just my medicine ball your all in

I said

I guess it's time for you to hate me again

Lets begin now hand me the pin

How shud I begin it and were does it all end

My medicine ball your in my medicine ball friends
