## Eminem, One Last Time

(feat. Dr. Dre, 50 Cent)

[Intro- 50 Cent] Shady Aftermath G-Unit!

[Chorus- Eminem]

Cause we came here to set this party off

Right let's bounce tonight

And if they don't let us in through the front

We'll come through the side

Cause I don't ever wanna leave the game

Without atleast sayin good-bye

So all my people on my left

All my people on the right swing one last time

Get ya ass up for the doctor

One more time get ya ass up for the doctor

Come on here we go cliff hanger

It's another club banger got ya hangin on the edge of ya seat

Get on down

[Verse 1] [Dr. Dre]

Time's up game's over you lose I win

Bout to show these knuckleheads how to do this here

Ooh yea new year next phase begin

Look who's got you goin crazy again

I'm a trend I set one everytime I'm in

I go out and just come back full circle again

You a fad, that means you're somethin that we already had

But once you're gone you don't come back

[Eminem]

Too bad you're off the map now, radar can't even find you

We stay on the grind you slip we out grind you

You walk around mad you let your anger blind you

We walk around just playin the violin behind you

Enough with all the pissin and moanin, whinin and bitchin

Sittin observed, listen you'll learn if you pay attention

While 10 multi-platinum albums lay the three diamond

World wide we on the charts with a bullet we're still flyin

[Chorus- Eminem]

Cause we came here to set this party off

Right let's bounce tonight

And if they don't let us through the front

We'll come through the side

Cause I don't wanna ever leave the game

Without atleast sayin good-bye

So all my people on my left

All my people on my right swing one last time

When Dr. Dre says crunk you will get it crunk

Get it crunk (Crunk crunk crunk)

And when 50 Cent says jump

You will get on one foot and (Jump jump jump)

[Verse 2]

Dr. Drei

The buzz is tremendous we drop you all just sense it

I don't gotta promote it for you to know the Doc is off the benches

[Eminem]

We keep the party rockin off the hinges

We ain't showin off, we just goin off popular concenses

[Dr. Dre]

But critics say the Doc is soft, Doc is talk The Doc is all washed up knock it off

Who the fuck is Doc impressin

Doc is this Doc is that you got the wrong impression

You must be on the cock of Doc cuz Doc left you all guessin

So DJ take the needle and just drop it on the record

We gonna have this mothafucka hoppin in a second

That's why we always save the best cut last

To make a scratch and itch to it like fresh cut grass

## [Eminem]

Cause we just playin with the sharks wrestlin with alligators Spoke to a generation of angry teenagers whom if it wasnt for rap Embraced the gat or maybe raised to be racist who may have never Got to see our faces, graced the cover of Rolling stone pages Broke down barriers of language and races, just call on the Cape crusaiders and leave it to me and Dre to pass the mic And we can play the back and forth all day like the hot potatoe game Thats why we

[Chorus- Eminem]

Cause we came here to set this party off

Right let's bounce tonight

And if they don't let us through the front

We'll come through the side

Cause I don't wanna ever leave the game

Without atleast sayin good-bye

So all my people on my left

All my people on my right swing one last time

50 Cent come on!

[Verse 3]

It's no secret everybody know when Dre's involved

There's plenty money involved

[Dr. Dre]

All the way to them 8 mile alleys

## [Eminem]

Let's ralley hands up for the grand finale now raise up your seat Dre's about to speak blaze a pound of weed six days about the week

[Dr. Dre]

You can catch me in the studio bangin out the beats to Provide you with the heat that keep blazin out ya speaker

So never say never cuz Shady Aftermath together
Along with G-Unit records presents the return of the
The Doc and Shady no one can do it better
We tear the club up and leave without a shred of evidence of the

[Chorus- Eminem]
