

# Eminem, Only When I Sleep

you only just a dream boat sailing in my head.  
you swim in secret ocean of coral blue and red  
your smell is just so burning and touch in silent yet  
its reaches to my skin, moving from within  
and clothes at my breast  
But its only when i sleep  
see you in my dreams  
You got me spinning round and round  
turning upside down  
I here you breath  
somewhere in my sleep  
you got me spinning round and round turning upside down  
its only when I sleep  
And when i wake from slumber see you in my dreams  
your dream is just so borning surrounding my body  
I working through the day time and when its time to bed  
I lvin in my bed and listen to my breath  
but its only when i sleep...  
it reaches to my skin moving from within and...  
its only when i sleep...
