

Eminem, Purple Pills

[Chorus]

I've take a couple uppers
I've downed couple downers
But nothing compares
To these blue and yellow purple pills
I been to mushroom mountain
Once or twice but who's countin'
But nothing compares
To these blue and yellow purple pills

[Eminem]

Cool, calm, just like my mom
With a couple of valiums inside her palm
It's Mr. Mischief with a trick up his sleeve
To roll up on you like Christopher Reeves
I can't describe the vibe I get
When I drive by 6 people and 5 I hit
Ah shit

I started a mosh pit
Squashed a bitch
And stomped the foster kids
These shrooms make me hallucinate
Then I sweat till I start losing weight
Till I see dumb shit start happenin
Dumber than Vanilla Ice tryin to rap again
So bounce, bounce, c'mon bounce

(Shooting)

I said c'mon bounce
Everybody in the house with a half an ounce
Not weed I meant coke dumb ass sit down
We don't bullshit, better ask around
D12 throws the bombest bash in town
Bizarre, your mom is passing out
Get her ass on the couch before she crashes out

[Kon Artist & Kuniva]

Fuck that, someone help Denaun
He's upstairs naked with a weapon drawn
Hey Von
You see me stepping on these leprechauns?
It's gotta be acid cuz the X is gone
Ya I took them all dog with some parmesan
And I think my arm is gone
It's probably numb
Young, dumb, and full of cum
And I think he bout to swallow his tongue
Scary ass it was a false alarm
Think I'm about to die when I just got on
So stop acting stupid
You so high

That you might wake up with a guy
On some new shit
I think I did too much
This substance equals cuffs
Red pills, blue pills, and green
Big pills (black pill)

Mescaline
Chorus 2X

[Hook]

Dirty Dozen
80 of us
Shady brothers
Ladies love us
That's why our baby mothers
Love us but they hate each other
They probably wanna take each other out

And date each other
And somethin, somethin, somethin, somethin
Somethin, somethin, somethin, somethin... eh
[Proof]
Pop pills, pills I pop
Pop two pills on stilts I walk
Snort two lines that were filled with chalk
Thought it was Incredible I killed the Hulk
I wanna roll away
Like a rollerblade
Until my eyes roll back in my skull for days
And when I'm old and gray
Look for dope to smoke
I overdose
When I pack up my nose with coke
(cough cough cough)
Am I suppose to choke?
Had an accident when the Trojan broke
Ahh, poor baby
Born by whore lady
Now I gotta strangle it (You're crazy!)
[Swiftly]
I pop four E's at one time
And I don't need water when I'm swallowin mine
Hey you got any shrooms?
Does Bizarre smoke crack?
We can't get jobs
Cuz our arms show tracks
Why the hell you niggas think I rap?
I do it just to get your company hijacked
If you like smack, then I might too (Swift, chill)
I just wanna get high like you
And I don't give a damn if they're white or blue
speed, shrooms, down the valiums
Even smoke weed outta vacuums
I just copped some and I'm going back soon
Chorus
[Bizarre]
I'm at rave
Lookin like slave a
High off chronic
Gin and tonic demonic
Body smelt like vomit
Pussy poppin', acid droppin', dope heavy guy
Heroin, mescaline, pencil leads - wanna try?
Blue pills, golden seals
Got Bizarre actin' ill
Drugs kill (Yeah, right)
Bitch I'm for real
Shut your mouth you dirty slut
You know you want it in your butt
I'll put it in your cunt
Let Bizarre nut
Chorus
