If she keep her dinner down

Simmer down

We can hit the telly when the fun stops

And I'll let you in ya work Come sip on my gum drops

[Nate Dogg]

Three to the one from the one to the three

I met a bad bitch last night in the D

Let me tell you how I made her leave with me

Conversation and Hennessey

I've been to the muthaf\*\*kin mountain top Heard muthaf\*\*kers talk, seen 'em drop

If I ain't got a weapon I'ma pick up a rock

And when I bust yo ass I'm gonna continue to rock

Getcha ass of the wall with your two left feet

It's real easy just follow the beat

Don't let that fine girl pass you by

Look real close cause strobe lights lie

We bout to have a party (turn the music up)

Let's get it started (Go head shake your butt)

I'm lookin for a girl with a body and a sexy strut

Wanna get it poppin baby step right up Some girls they act retarded

Some girls are bout it bout it I'm lookin for a girl That will do whatever the f\*\*k I say everyday she be givin it up
