[Roger]

Skylar Montgomery?

[Skylar]

What do you want from me Roger?

[Roger]

I know it was you all along messing around with my dear Veronica.

[Skylar]

Wait a minute.

You hold it right there.

Me and that woman love each other.

[Roger]

Love?

What do you know of love?

[Skylar]

We were destined to be together.

I met her on the beach...

[Roger]

Are you out to destroy me?

[Skylar]

No, Roger.

That's not what I want to do.

[Roger] I love her!

[Skylar] And we're gonna be together, never.
