

Eminem, The Real You

i miss my friend
why did it have to end
all i do is cry
and i wanna know why
all you did was lie
i want these feelings to go away
cuz i dont wanna feel this way
its only you on my mind
people say that i am blind
for not seeing the real you
and all the pain you put me through
i honestly feel the way i say
and the feelings wont stop or go away
so no matter what i do
i am still in love with you
