Eminem, Thug Luv

yo i keep m luv snug bruv but im white, so i dont know no thug luv but what you do find is thugs luv then 2time its a truecrime but most do it like should i or should nt i arrr screw it then when she finds out your cheating she gives you a raw beating for leaving and not luvin then shit gets heated hotter than a hot oven cos you've broken bonds kissed others with open tongs being disloyal like whats been planted in this soil but this is all i've herd how they cheat and end up dead from their bird so if you blare a word of cheating you havent put one foot in you've stook both feet in then you start watching your back from day one like you got your clothes the wrong way on but as i say i dont know no thug luv and im not one like goldie[ahah] so were did i get this shit from? a little birbie told me
