I hit harder than four men,

Landing both gloves to a low blow with no cup

Leave you Speech-less like when Arrested Development broke up

Carry a crow bar for egos that won't budge

Crack skulls ,through helmets,

with the penetration of a screw ,nailed in,

return like I was sending self addressed postage

Throw bricks the size of the Stonehenge

Before battles we pour blood and toast death to wicked infants

found on the sorceress ,doorsteps,

Slaughter lamb ,and boar's head

Every MC's cause of boredom and mind bondage

Bronchitis, lung failure

Language unfam-i-liar

Art through a flooded air brush

Road leave craft

Sentences joined with words holding hands

it's a tight squeeze

From where your head will be landing in exact time flight leaves.

Watch deez

Watch deez

Watch deez

Don't watch that, watch deez

[Eminem]

Who's arm is this?

I must have cut it off at the pharmacist

Who refused to renew my seventh prescription of Darvecets[Sorry]

I'm the old man who lives upstairs and starves his pets

And never leaves his house 'cause he thinks his car's possessed

I hate my life

That's why I degrade my wife

Grabbed a paper plate to make a sandwich,and just ate the knife,

My mother's screaming 'please heal and take him straight to Christ'

Meet you on the street and slap you just to break the ice

Made a bomb threat with a fake device

Strip you naked twice, pistol whip you and force you to take advice

And if you catch me bobbin' my head to some bullshit spittin'

I was probably just tryin to shake the lice

bugs fallin' out of my head

I'm wishin' I was dead

While I'm fallin out of my bed

Found it red and my rash is returning

I feel the sensation of burning

Occurring usually during pain for release in my urine

Screamin' at my shadow 'please quit followin' me'

These pills keep screamin' :"please quit swoalloin' me"

The devil keeps screamin':"please get down on one knee"

Took the drugs before the cops ever found them on me.
