

# Eminem, We The Realest Label

I got 50 Cent  
I got G-Unit  
??? and Obie Triiiice  
So watch what you say  
Before you call our name  
If you say one more thing  
It won't be nice  
Here we go  
I shoulda known  
I was bound to get pulled into some bullshit sooner or later  
You little haters are too jellous of us to love us  
You ain't it  
G-Unit made it  
And Obie's comin  
D-Twizzy's comin  
You sick to your stomach  
50% is 50-Cent  
The other 50% is who's color skin it is  
Don't even consider takin our label down  
You better find our building and fly a fucking plane into it  
But I ain't tryin to get too intriqette into it  
I'm just tryin to give you a little hint for your own benefit  
Cuz then it's gunna get to the point where it escalates into some other shit  
Then Im a flip  
Then Im a get to stompin in my Air Force One's  
Won't be able to tell if it's two pairs or it's one  
It's gunna feel like there's so many feet kickin you  
You think that Nike just made these into cleat tennis shoes  
I don't know what it is or what it could be  
But I get a woody when these pussy's try to push me  
Thinkin they gon' put me in the position to pickle me  
Ya'll tickle me pink  
I think I'd just rather have pink tiggler me  
Hickory dickory dock tickoty tock tickety a little bit of the diggity dock diggity  
Mixed with a little bit of the ???  
With a small pinch of Biggie  
Look at me, I'm just the bomb diggity  
CHORUS:  
We the realest label  
Don't try to act like you don't feel our label  
Cuz we gon' fuck around and kill your label  
Obie, D-Twizzy, G-Unit, 50, Shady Records, we the label fa sho  
We the realest label  
Don't try to act like you don't feel our label  
We gon' fuck around and steal your people  
Obie, D-Twizzy, G-Unit, 50, Shady Records, we the label fa sho  
Shady in the place to be seen  
And I got what it takes to rock the mic RIGHT!
