

Eminem, What If I Was White?

[Eminem]

Yo I got an idea
Let me go grab Sticky right quick

sounds of steps

Hey yo Stick, Stick

[Sticky]

Yo Slim Shady
Yo I just had like a nightmah..
Wait it wasn't like a nightmare
It was like a good dreaah..
Well it wasn't a good.. (What was it?)
Hey yo I just had a crazy dream man (What?)
Yo, yo I dreamed I was white! (Ohhh)

Chorus: Eminem

If he was white
What if he was white?
What if he was white?
What - If - He - Was - White?
What if he was white?
What if he was
white, white, white, white, white, white, white, white, white, white?

Verse One: Sticky Fingaz

Yo, yo
What if I was white skin the same color as cocaine?
Blond hair, blue eyes
The whole shibang
I know one thing
Police wouldn't always be watching me
Pull me over for nothing, constantly jockin me
(Can I get your autograph?)
Yellow cabs in the cities would stop for me
I wouldn't need caladeral to buy property
If I was white
Wouldn't matter if I was rich or poor
SECURITY wouldn't follow me around the store
Like I'd steal something (Maybe he might of stole something)
Because I'm black I rob
And automatically assume I ain't got no job
On my own land I feel like an immigrant
If I was white
I wouldn't thought O.J. was innocent (He did it)

Chorus: Eminem

If I was white
What if he was white?
What if he was white? (Yo think about that)
What if he was white, white, white, white, he was white (for a minute)
What if he was white?
What if he was (What if he was white?)
white, white, white, white, white, white, white, white, white, white? (What if
he was white?)

What if he was white?
What if he was white?
What - If - He - Was - White?
What if you were white? (what if he was white?)

What if he was
white, white, white, white, white,(STICKYyyy what if you were white?) white,
white,
white, white, white?

Verse Two: Sticky Fingaz

If I was white
It would be a different world for me
If I was white (ummmmmmmmm?)
What shade would I be?
Would I be Redneck or Skinhead, preppy or high class?
YOUd PROBABLY LIVE IN A TRAILERPARK AND BE WHITE TRASH!
In any case that be the ill shit right? (Yep)
But there's a good and a bad side to being white
You can't say the N word without starting a fight
(What's UP MY NIGGER?)
couldnt dance on beat, Id had two left feet
Even if I was white
id probably still have a ghetto chick(How you doing?)
Is it a myth
Or would I really have a little dick (Nah, it's true!)
If I was white
I would probably listen to hard rock
and cover my ears when ever I heard Hip Hop (Ahhhhhhhhhhhhh)

Chorus: Eminem

If he was white
What if he was white?
What if he was white? (What if he was white?)
What if he was white, white, white, white, he was white
What if he was white?
What if he was
white, white, white, white, white, white, white, white, white, white? (What if
he was white?)

What if he was white?
What if he was white?
What if he was white, white, white, white, he was white(ummmmmmmmm?)
What if he was white? (What if you were white?)
What if he was
white, white, white, white, white, white, white, white, white, white? (What if
he was white?)

Verse Three: Sticky Fingaz

Yo,yo,yo, if I was white
I probably wouldn't even think the same
Id watch Tennis and golf and bet on Hockey games (Red Wings Man)
Wear suit and ties and go to work everyday
If I was white
I couldn't live around my way
if i was white it probably wouldn't never even been an Onyx shit
I be steady sippin vodka and tonixs
Smokin on a marlboro
instead of a Newport
Id live in Long Island
Instead of New York
If I was white
I probably couldn't dunk
'cause everybody knows white man can't jump (Nope!)
i probably wouldn't be able to go to the weed spots
'cause all the dreads would think Im a cop

Chorus: Eminem

If he was white
What if he was white?
What if he was white?
What - If - He - Was - White?(Yo you can't say that)
What if he was white
What if he was
white, white, white, white, white, white, white, white, white, white?

What if you were white?
What if he was white?
What - If - He - Was - White?
What if he was white?
What if he was
white, white, white, white, white, white, white, white, white, white?
If he was white?
What if he was white?
What if he was white
(What would you do if you were white?)
What - If - He - Was - White?
(What if you were white?)
white, white, white, white, white, white,
(What if you were white!!!!)
white, white, white, white?
