

# Emmylou Harris, Long Tall Sally Rose

(Emmylou Harris / Paul Kennerley)

Well tonight I'm gonna wear my dancin' shoes  
'Cause I heard the word and I heard the news  
There's a gal in town she's packin' 'em in  
If you've seen her once, you'll see her again

She's got a red hot dynamite band  
They're burnin' down another one-night stand  
Headlinin' double shows  
Everybody go see Sally Rose

She sure knows how to rock the crowd  
Rocks 'em slow rocks 'em loud  
So you better move fast 'cause tickets are tight  
If you wanna see Sally Rose pick it tonight
