

EMO, Don't Mess With My Mind (piosenka z filmu)

I like watching you
When you're on fire
Take off your pretty dress
And feed the beast, deep inside me,mmm
This is what you get
Playing with a devil
tripple six lies i don't give a fk
If you're going back to heaven
Breathing you in and out
I'm breathihng you in and out
I'm breathihng you
I'm breathihng you in and out

like tripple six lies yeah
Don't mess with my mind
I go crazy when you look at me
Like this when i'm tied
'Cause its never enough
Don't mess with my mind
They'll never tear us apart
I'm the only one, you can really rely on
Without you i'm blind
Don't mess with my mind
Don't mess with my mind
Don't mess with my mind

This is what you get
Playing with a devil
tripple six lies i don't give a fk
If you're going back to heaven
Breathing you in and out
I'm breathihng you in and out
I'm breathihng you
I'm breathihng you in and out
like tripple six lies yeah
Don't mess with my mind
Don't mess with my mind
