## EMO, Pray (piosenka z filmu 'Kolejne 365 dni')

I'm so fuckin' wasted Buildin up a hatred What d'you want from me Yeah

I feel like I'm bleedin' All I want is feelings Let me try believin

But there's no longer happy afters Once you step, you'll fall

Pray, 'Cause no one's comin for us Pray, time's runnin' out Roads are broken here forever No way out, so pray now Pray, 'Cause no one's comin for us Pray, time's runnin' out Roads are broken here forever No way out, so pray, pray Pray now, pray now

Pray, 'Cause no one's comin for us Pray, time's runnin' out Roads are broken here forever No way out, so pray now

Pray, 'Cause no one's comin for us Pray, time's runnin' out Roads are broken here forever No way out, so pray, pray
