

Empire Of The Sun, Two Vines

We got the best
Easily, you know we do
We reached for love
???

???
Call you impossible
Pride ... of your live
???

Because you trust to man
Slowly
Going right...
So we
On the light
???
To much, to much
To much

When going on
Tonight come alone
We make the ...
Repaired the memories
Why to the sky above
Fall into ???
???
Stock by the cos of love

Because you trust to man
Slowly
Going right...
So we
On the light
???
To much, to much
To much
