

# England Dan And John Ford Coley, Nights Are Forever

Lying in bed with the radio on  
Moonlight falls like rain  
Soft summer nights spent thinking of you  
When will I see you again

Soft and low the music moans  
I can't stop thinking about you  
Thinking about you...  
I didn't know it would be so strong  
Waiting and wondering about you  
I didn't know it would last so long  
Nights are forever without you

Curtains still dance with the wind and the sky  
The sun will be coming up soon  
But I just can't sleep for thinking of you  
Here alone with the moon

Soft and low the music moans  
I can't stop thinking about you  
Thinking about you...  
I didn't know it would be so strong  
Waiting and wondering about you  
I didn't know it would last so long  
Nights are forever without you  
Nights are forever without you  
Nights are forever without you.....
