

Enigma, The Screen Behind The Mirror

Here's the mirror, behind there is a screen
Turn around, on both ways you can get in
The experience of survival
Look around just people, can you hear their voice
Find the one who'll guide you to the limits of your choice
The experience of survival
Try to think about it...
That's the chance to live your life and discover
Try to think about it...
The experience of survival
The experience...
The experience of survival
The experience...
