

# Enrique Iglesias, Alabao

When I'm with you a chain reaction  
Like a rush of satisfaction  
Suddenly coming over me

Your eyes telling me that you hold the key  
The key to unlock my fantasies  
Baby this is where I want to be

My heart is beating so hard it's frightening  
Feels like I'm hit by lightening  
Every time I watch you move

You're so in tune with your body  
And I can see that no one else will do  
Cause I'm so into you

Alabao, you got the touch  
Alabao, you got the motion  
Alabao, just can't hold back any more  
Alabao, you lift me up  
Alabao, you knock me down  
Alabao, you're the one that I adore

You can take care of my affliction  
Satisfy my addiction  
You know what you have to do  
When your body wants my affliction  
You take me in a new direction  
One where there's only you and me

AND then we rise to the moment  
And I can feel your love all around me  
Now it's time to give it all

Alabao, you got the touch  
Alabao, you got the motion  
Alabao, just can't hold back any more  
Alabao, you lift me up  
Alabao, you knock me down  
Alabao, you're the one that I adore

Just one look in your eyes and I'm in
