

# Enrique Iglesias, Away

Intro:

Away away, oh yea away away

this feels like the coldest day in a hurricane looking through a glass window  
and ya screaming to the top of yours lungs, and the bells done rung  
and the crowd can't hear you  
and all that i can see is a building burning  
i just gotta rescue my baby  
but you don't even recognize me

and even though the feeling's been gone i just wanna be here  
to pick up the little pieces of remains  
i'm going down the plane is smoking  
and the only one who can save me is you but you wanna throw me

Chorus:

Away, away, away, away, oh why  
i wanna know  
i wanna know why you wanna throw me  
Away, away, away, away, oh why  
i gotta know why you wanna throw me away  
Away, away, away, away, oh why  
i wanna know  
i wanna know why you wanna throw me

you used to ask why i was i so skeptic, of love  
girls cuz it changes, and it ain't got to be no real season  
you start to live the dream and before you know  
there's a door that open, and the moment you walk in it close

maybe it's somebody else or a situation that you can't help  
oh love, oh love, oh love, oh love  
just ain't what it used to be  
i confronted my fears with open arms  
although you said you will never give up on us but now you blow me

Chorus2

Perfect we said we'd never be  
so why is this happening to me  
no way no way (no way

Chorus3
