

# Enrique Iglesias, Back To You

I've been down  
I've been beat  
I've been so that i could not speak  
I've been so lost that I could not see  
I wanted things that were out of reach  
then I found you and help me through and you show me  
what to do  
that's why i'm comin' back to you  
Like a star that guides a ship across the ocean  
that's how your love can take me home back to you  
and if I wish upon that star that someday i'll be where you are  
cause i know that day is comin' soon yeah i'm comin' back to you  
you've been alone but you did not show it  
you've been in pain when i did not know it  
you let me do what I needed to  
you where there when I needed you  
mighta let you down  
mighta messed you round  
but you never change you point of view  
that's why i'm comin back to you.....
