

# Enrique Iglesias, California Callin'

Driving through the night  
Tears running down my face  
Start to realize all the things that I once had  
I promised you the world  
That's nothing more than you deserve  
It's killing me inside to know I put you through this hell  
Take away my heart  
It doesn't want to work no more  
I never meant to make you cry  
California Callin 20 miles to go  
And I don't, I don't know  
Should I turn around or  
Should I leave you alone?  
No, I don't, I don't know  
I don't know.  
No, I don't know  
No one on the road  
And it feels so cold outside  
It's driving me insane to know how much you hurt tonight  
Take away my heart it doesn't wanna work no more  
I never meant to make you cry  
California Callin 20 miles to go  
And I don't, I don't know  
Should I turn around or  
Should I leave you alone?  
No I don't, I don't know  
California callin 20 miles to go  
And I don't, I don't know  
I don't know  
No, I don't know  
California callin 20 miles to go  
And I don't, I don't know  
Should I turn around or  
Should I leave you alone?  
No I don't, I don't know  
California callin 20 miles to go  
I don't know, no I don't know  
Should I turn around or  
Should I leave you alone?  
No, I don't know.
