

# Enrique Iglesias, If The World Crashes

You make me strong, You make me weak  
You lift me off my feet

You give me hope when all my dreams seem like they're out of reach

Yeah yeah yeah

You make me understand the way a perfect love should be  
You take me to a place so high, I never wanna leave

And sometimes I think of all the things I should have said  
I hope it's not to late, I wanna make you understand

Oh Yeah

If the world crashes down  
over me  
I know that my life  
is complete  
'Cause I held you in my arms all night  
I can't imagine life without you by my side

You whisper in my ear the words  
just hold me close tonight, hold me tonight

And when the pain is holding me  
Your touch just sets me free

And sometimes I think of all the things I should have said

No No No, Yeah

I hope it's not to late, wanna make you understand

Oh Yeah

If the world crashes down  
over me  
I know that my life  
is complete  
'Cause I held you in my arms all night  
'Cause I can't imagine life without you by my side

(Vocals)

(You make me weak, You make me strong, you give me hope,  
You hold me close, You make me weak, you make me strong,  
You give me hope you hold me close You make me weak,  
You make me strong, you give me hope, You hold me close....  
you take me High, Oho!)

If the world crashes down  
over me  
I know then my life  
is complete  
'Cause I held you in my arms all night  
'Cause I can't imagine life without you by my side
