

# Enrique Iglesias, Just Wanna Be With You

Monday night, and I feel so low,  
I count the hours, but they go so slow.  
I know the sound of your voice, can save my soul.  
City lights, the streets are gold.  
Looked down my window to the world below.  
Move so fast, but it feels so cold  
And I am all alone,  
Dont let me die, Im losing my mind,  
Baby, just give me a sign.  
And now that youre gone,  
I just wanna be with you.  
(Be with you)  
And I cant go on, I wanna be with you.  
Wanna be with you..  
I cant sleep, Im up all night.  
Through these tears, I try to smile.  
I know, the touch of your hand, can save my life.  
But dont let me down, come to me now,  
I got to be with you some how.  
And now that youre gone,  
I just wanna be with you.  
(Be with you)  
And I cant go on, I wanna be with you.  
(Be with you)  
Wanna be with you.  
Dont let me down,  
Come to me now.  
I got to be with you some how.  
And now that youre gone,  
Who am I without you now?  
I cant go on, I just wanna be with you.  
And now that youre gone,  
I just wanna be with you.  
(Be with you)  
And I cant go on,  
I wanna be with you..  
(Be with you)  
Wanna be with you..  
(Now that youre gone)  
Just wanna be with you..  
And I cant go on,  
I wanna be with you.  
Oh..  
Just wanna be with you, just wanna be with you. (Fade)
