

Enrique Iglesias, One Night Stand

Let me tell you.....

Jenny's getting her stuff in my room
Puts on her skirt and she's looking good
Six AM and she's leaving soon
Says what a crazy night I had
A real good time

But her kiss tells me it's goodbye
Just like nothing happened last night
But if I had one chance
I'd do it all over again

One night stand I don't think she's coming back for more
She was only looking for a one night stand
I don't think she's coming back for more
No no

Now I'm left up in my lonely room
She left her underwear and her perfume
I never thought that it could be this good
And I still feel a little on my fingertips
I'm trying hard not to feel rejected
Maybe the phone line's disconnected
But if I had one chance
I'd do it all over again
I know it

One night stand I don't think she's coming back for more
She was only looking for a one night stand I don't think she's coming back for more
She was only looking
One night stand but I'd do it all again for sure
Oh yeah

Baby like a blind man I rushed in
Now do I have the right to ask you,
Will you be coming back again?
One night stand I don't think she's coming back
One night stand I don't think she's coming back
One night stand I don't think she's coming back

One night stand I don't think she's coming back for more
She was only looking
One night stand I don't think she's coming back for more
She was only looking for a one night stand I don't think she's coming back for more
She was only looking for a one night stand I don't think she's coming back for more
She was only looking
One night stand but I'd do it all again for sure

I guess it was a one night stand
One night stand
I guess it was a one night stand
One night stand
I guess it was a one night stand
One night stand
I guess it was a one night stand
One night stand
I know it, yeah
