

# Enrique Iglesias, Ring My Bell

(Piano Intro)

Ring my bell, ring my bells..  
Ring my bell, ring my bells..  
Ring my bell, ring my bells..  
Ring my bell, ring my bells..

Sometimes you love it  
Sometimes you don't  
Sometimes you need it then you don't and you let go..

Sometimes we rush it  
Sometimes we fall  
It doesn't matter baby we can take it real slow..

Coz the way that we touch is something that we can't deny  
And the way that you move oh you make me feel alive  
Come on

Ring my bell, ring my bells..  
Ring my bell, ring my bells..  
You try to hide it  
I know you do. When all you really want is me to come and get you

You move in closer  
I feel you breathe  
It's like the world just disappears when you around me oh

Coz the way that we touch is something that we can't deny oh yeah  
And the way that you move oh you make me feel alive so  
come on

Ring my bell, ring my bells..  
Ring my bell, ring my bells..  
Ring my bell, ring my bells..  
Ring my bell, ring my bells..

Say you want, say you need  
I can tell by your face love the way it turns me on

I say you want, I say you need  
I will do all it takes I would never do you wrong

Coz the way that we love is something that we can't fight oh no  
I just can't get enough oh you make me feel alive so come on

Ring my bell, ring my bells..  
Ring my bell, ring my bells..  
Say you want say you need I can tell by the way you're looking at me I turn you on  
Ring my bell, ring my bells..  
say you want say you need if you have what it takes we don't have to wait lets get it on  
Ring my bell, ring my bells. (Fade out)
