

# Enrique Iglesias, Stay Here Tonight

I know it's late and you're tired  
And we'd been talking for hours here  
You don't have to tell me

I see that look in your eyes  
And I know soon we'll say our goodbyes oh yeah  
I feel it coming

And I hear you take a deep breath  
And my hands are starting to sweat  
I don't want you to  
I don't want you to leave yeah

Stay here tonight  
Stay here tonight  
'Cause when you around me  
Everything's right don't go  
oh don't leave me alone

Stay here tonight  
Stay here tonight  
I wanna hold you in my arms  
show you what that's like don't go  
I need you  
I need you

You grab your coat and I'm dying  
But I know that you're still deciding yeah  
There's no bodies moving  
Time stops and everything's quiet  
I'm begging on for my life in you  
You don't even see it

And then you coming closer  
And baby it's not over  
Till I hear you say

Till I hear you say  
Goodnight oh yeah

Stay here tonight  
stay here tonight  
Cause when you around me  
everything's right don't go  
oh don't leave me alone  
stay here tonight stay here tonight  
I wanna hold you in my arms  
show you what that's like don't go  
I need you  
I need you

Something about you saying is not  
Something about you makes me feel like I'm nobody

Stay here tonight  
stay here tonight  
cause when you around me everything's right don't go  
Don't leave me alone

Stay here tonight  
stay here tonight  
Just when you around me everything's right Don't go  
oh don't leave me alone  
stay here tonight

stay here tonight  
I wanna hold you in my arms  
show you what thats like oh no  
I need you  
I need you

Stay with me tonight I need you Stay with me tonight I need you  
Stay..(fade out)
