

Enriquez Jocelyn, Lovely People

Do you believe in miracles?
You've got to believe
Cause the second you do
They all will come true
And love you
And love for you
We will all have a good time
It's just a party
Let's have some fun
Huggin and laughin and dancin away
Cause that's how a party
Should be done
Our love goes
Our love grows
Our love goes
Round and round and round the world
Now look at all these lovely people
It's got to be my family
No worries
Smiling faces everywhere
No problems to think of
Don't want to be anywhere else because
