

# Eric Burdon, We Gotta Get Out Of This Place

(Mann/Weil)

In this dirty old part of the city  
Where the sun refuse to shine  
People tell me there ain't no use in trying  
Now my girl you're so young and pretty  
And one thing I know is true  
You'll be dead before your time is due  
I know  
Watch my daddy in bed and tired  
Watch his hair been turning gray  
He's been working and slaving his life away  
Oh yes, I know it  
He's been working so hard  
I've been working too babe  
Every night and day  
Yeah yeah yeah yeah  
We gotta get out of this place  
If its the last thing we ever do  
We gotta get out of this place  
'Cause girl, there's a better life  
For me and you  
Now my girl you're so young and pretty  
And one thing I know is true, yeah  
You'll be dead before your time is due  
I know it  
Watch my daddy in bed and tired  
Watch his hair been turning gray  
He's been working and slaving his life away  
I know  
He's been working so hard  
I've been working too babe  
Every day baby  
Yeah yeah yeah yeah  
We gotta get out of this place  
If its the last thing we ever do  
We gotta get out of this place  
Girl, there's a better life  
For me and you  
Somewhere baby  
Somehow I know it baby  
We gotta get out of this place  
If its the last thing we ever do  
We gotta get out of this place  
Girl, there's a better life for me and you  
Believe me baby  
I know it baby  
You know it too
