

Eric Carmen, Waiting

(eric carmen)

Once I could find my way
But that was yesterday
Believe me, it's not easy
I am waiting

Another day goes by
You ask me why I cry
Believe me, it's not easy
I've been waiting all my life

I said "i've been waiting all my life
For love to show her face"
When will I know, how will I know
Where to take my place?

When love was in her eyes
I had to pass it by
Believe me, it's not easy
I'd been waiting all my life

She said "i've been waiting all my life
For love to show his face"
When will I know, how will I know
Where to take my place?

Once I could find my way
But that was yesterday
Believe me, it's not easy
I'll be waiting all my life
