

# Eric Clapton, Love Comes To Everyone

(George Harrison)

Go do it,  
Got to go through that door,  
There's no easy way out at all...  
Still it only takes time  
'Til love comes to everyone.

For you who it always seems blue  
It all comes, it never rains  
But it pours,  
Still it only takes time...  
'Til love comes to everyone.

There in your heart...  
Something that's never changing;  
Always a part of...  
Something that's never ageing,  
That's in your heart...

It's so true it can happen to you all; there,  
Knock and it will open wide,  
And it only takes time  
'Til love comes to everyone.
