

# Eskobar, Love

what you gonna do?  
when they say  
that love has gone its own way

could you really know  
how to play  
a game that has not yet been written  
today

watch these signs of warning as  
you pass them on your road  
remember all that has been said  
and all that has been told

My love  
don't you cry love  
if you try love  
you can do it

my love  
don't you need love  
if we tried love  
we could do it
