

Eternal Decision, Scar

Help me help you
In your season of desperation
Take my hand, my dear friend
I will lead you home where you belong

Laying pride aside
I know you've realized
Just what was lost inside you
I can see it in your eyes
The cost of many lies
I see the Scar on your soul

This love you gave
Should have been without condition
You search without
For needs within
I will lead you home where you belong

Chorus:
Solo: Tommy

So low you fell
In the midst of your conviction
You cry for now from broken vows
God will lead you home where you belong
