

Eurythmics, Right By Your Side

Give me two strong arms
To protect myself
Give me so much love
That I forget myself
I need to swing from limb to limb
To relieve this mess I'm in
'Cause when depression starts to
win
I need to be right by your side

No one seems to touch me
In the way you do
Nothing seems to hurt me
When I'm close to you
I'm so full of desire
When you set my head on fire
I need to be right by your side

Every single one of us needs
Love, love, love
Everybody needs to give and
receive love
Every single day can drag us
Down, down, down
But there's nothing left to fear
When love gets into town

I'm so full of desire
When you set my head on fire
I need to be right by your side
