

# Evemaster, Disgraceful

Alone I'm sitting in my room, Watching the time to pass me by  
Solitude my only friend, Rejected from life I thought was mine... I thought was mine

Black burnt shell - Frozen inside  
Disgraceful - All cold inside

I've seen myself dark, yet so fine, Carrying that flower once called life  
Seeing myself so dark and so serene, My world seems to crumble before my eyes... crumble into e

Black burnt shell - Frozen inside  
Disgraceful - All cold inside

Gone to darkness is this human soul, Solitude its' only friend  
Sorrowladen and too weak to let it go, Crash and burn this is a dead-end

I want to break free from this human-made paradise  
The snake in the Garden of Eden cries out my name calling me there...  
I want to give my life to someone who can live it right  
The call is too strong for me to resist 'til the end of me.

Alone I'm sitting in my room, Curtains blocking the sun from my eyes  
Seeing myself so dark and serene, My world seems to crumble before my eyes... crumble into eter

Black burnt shell - Frozen inside  
Disgraceful - All dead inside
