

Evermore, Goodnight Is Not The End

Goodnight, goodnight my love
Goodnight, goodnight my only one
Goodnight, goodnight

Goodnight, goodnight my love
Goodnight, goodnight my friend
Even though the day is over
Goodnight is not the end

When the moon has passed us by
And when the sunlight has
Opened up my eyes
I will see you in the morning
Goodnight, goodnight

Goodnight, goodnight my love
Goodnight, goodnight my friend
Even though the day is over
Goodnight is not the end
Goodnight is now the end
