

# Everything But The Girl, Single

I called you from the hotel phone  
I haven't dialled this code before  
I'm sleeping later and waking later  
I'm eating less and thinking more  
And how am I without you?  
Am I more myself or less myself?  
I feel younger, louder  
Like I don't always connect  
Like I don't ever connect

And do you like being single?  
Do you want me back?  
Do you want me back?  
And do I like being single?  
Am I coming back?  
Am I coming back?

I'll put my suitcase here for now  
I'll turn the TV to the bed  
But if no one calls and I don't speak all day  
Do I disappear?  
And look at me without you  
I'm quite proud of myself  
I feel reckless, clumsy  
Like I'm making a mistake  
A really big mistake

And do you like being single?  
Do you want me back?  
Do you want me back?  
And do I like being single?  
Am I coming back?  
Am I coming back?  
Do you want me back? [6x]

And now I know  
Each time I go  
I don't really know  
What I'm thinking  
And now I know  
Each time I go  
I don't really know  
What I'm thinking of

Do you want me back? [5x]
