Excel, Affection Blends With Resentment

[Verse 1:]
What I see is hypnotize
The things I see are paralyzed
You never tend to emphasize
My views of love have no disguise
[Repeat]

[Verse 2:] Give and take seems to rule Never again will I be fooled Give and take seems to rule Never again will I be fooled

Affection blends with resentment Affection blends with resentment

[Verse 3:]
I won't let you fool me
Can't you see I control my own life
Can't you see I control my own life

[Chorus:]
Affection always blends
Affection always blends
Affection always blends
Affection always blends

Pain never ends Pain never ends Pain never ends Pain never ends

You lied You lie to me now
