

Exploited, Chaos Is My Life

No future no future
No future at all
No money no job
You've got f**k all

[Chorus]
Chaos is my life
Chaos is my life
Chaos is my life

Another f**king restart
Is waiting for you
The future is f**ked
More chaos for you

[Chorus]
Chaos is my life
Chaos is my life
Chaos is my life

Don't let the bastards
Get to you
The future is chaos
And chaos is you

[Chorus]
Chaos is my life
Chaos is my life
Chaos is my life

Chaos is my life <i>[x4]
