[ENGLISH TRANSLATION:]

["Jesus Came to Earth to Die"]

Jesus came to earth to die
came from heaven to sacrifice himself
and on the cross the King must bleed
to clear the way for you

Christ came to earth to die
We were separated from God's presence
but God loved with such passion
that He gave his Son for us

Jesus came to earth to die
and he crushed the power of the evil one
Everything is finished, the victory cry can be heard
Everything is laid under Him

Jesus came to earth to die
He gave salvation to you and me, my friend
To pay for the sin he gave everything
What do we give to the Saviour?
