

# Extreme, Leave Me Alone

As for this song  
I'll set the mood  
There's nothing wrong  
Prefer solitude

Alone to think  
Of what I don't know  
The deeper I sink  
The further I'll go

Nothing to fear  
No need to hide  
I'm already there  
Came in from outside

Safe in my nest  
My home sweet home  
No invited guests  
I just love to be alone

Leave me alone  
Leave me alone  
Leave me alone  
"(I wish you would leave me alone)"  
"(I wish you would leave me alone)"  
I just want to be alone

It's better this way  
No one will get hurt  
If you stay away  
I won't lose my shirt

If I've become  
Too defensive  
I'm not the one  
You're livin' with

Leave me alone  
"(I wish you would leave me alone)"  
Leave me alone  
Leave me alone  
"(I wish you would leave me alone)"  
"(I wish you would leave me alone)"  
I just want to be alone

Leave me alone  
"(I wish you would leave me alone)"  
Leave me alone  
Leave me alone  
"(I wish you would leave me alone)"  
"(I wish you would leave me alone)"  
I just want to be alone, leave me alone

I want to be, I want to be  
I want to be alone  
I want to be, I want to be  
I want to be

Leave me alone  
Leave me alone  
Leave me alone  
I just want to be alone

Don't feel sorry

It's not your concern  
Only the lonely  
Are the ones who get burned

Safe in my nest  
My home sweet home  
No invited guests  
I just want, I just want, I just want to be alone

"(I wish you would leave me alone)"  
Leave me alone  
Leave me alone  
"(I wish you would leave me alone)"  
"(I wish you would leave me alone)"  
I just want to be alone
