

# Extreme, Shadow Boxing

Last round, looks like I'm in for a fight  
Knocked down, there is nowhere left to hide  
Stick 'n' move, when I try to run away  
Old one-two, I only end up face to face

Mirror mirror  
Getting clearer

It's just me and my shadow  
Dancing 'round the ring  
I try to fight it but then how can I win  
When I'm only shadow boxing

Time out, I'm looking for a standing eight  
No doubt, yeah, my inside has come out to play  
Bob and weave, it's conscious of my every move  
Been deceived, can no longer ignore the truth

Mirror mirror  
Getting clearer  
Split decision  
Blurs my vision

It's just me and my shadow  
Dancing 'round the ring  
I try to fight it but then how can I win  
When I'm only shadow boxing  
When I'm only shadow boxing, yeah, ooh yeah

It's just me and my shadow  
Dancing 'round the ring  
I try to fight it but then how can I win  
When I'm only shadow boxing  
When I'm only shadow boxing  
Yeah, I'm only
