## Eyes Of Shiva, Future

The Darkness Of The Long Days
When The Moon And (The) Sun Disappered
Then The Gloomy Skies
With No Future
'Cause Of The Attack Signs
This Is The Age Of Anguish
Oh No!!!
Everyone Will Be Razed

The Battle Will Begin Carrying Millions Of Lives (Away) From The Lands Thru The Air All Of A Sudden!

The Future Is So Near Just Like The Land Of Fear Just Like The End Of Days... The End Of Days

[Solos] [Bridge]

[Chorus]
