

# Eyes Set To Kill, Pure White Lace

Always forgive,  
never forget  
Its just like me to pretend  
and give into her every need  
showing no signs of defeat  
Thirsting for you,  
Thirsting for the tears you cry  
Waiting for you,  
Waiting for your pleading cries  
Don't be blinded by her  
Don't be blinded; its disguise  
Don't be blinded by her eyes  
Skin so soft and pure white lace  
Beauty takes control of you  
Don't be blinded by her eyes  
Don't be blinded its disguise  
Shell suck every inch of life from deep inside of you.  
Her burning passion for hate takes control of you  
every inch of light from deep inside  
my only regret lies in all the nights  
spine removed from back,  
faced down on the floor.  
I offered her my heart,  
but still she wanted more  
Skin so soft  
Beauty is only skin deep.  
Pure white lace;  
is enough to cut through,  
exposing what's beneath
