Face To Face, Overcome

fake, even when you're sure this time it's real pain, isn't just defined by what you feel

it isn't so wrong to be where you're from the image of what you are can be overcome

angst, you'd cut out your heart to spite your mind stay, even if it's just a waste of time

it isn't so wrong to be where you're from the image of what you are can be overcome

I let my guard down
